6. (Secret - JGO) In the absence of Mr. Arthur Kuhl, Chief Clerk, Senate Foreign Relations Committee, I met with Mrs. Mary McLaughlin, Assistant to Mr. Carl Marcy, Staff Director, and reviewed with her the handling of the transcript of the Director's briefing of 23 April and 23 June during their study of this ABM testimony over the past few weeks by the Committee members. I also received back from Mrs. McLaughlin copies 2, 4, and 5 of the Director's testimony of 23 June which was "inadvertently" retained by the Committee. Future calls for the transcripts may be anticipated from time to time. They may involve one or more transcripts which will be returned to the Agency each day. Mrs. McLaughlin was once again highly complimentary of the services provided by the Agency couriers. Mrs. McLaughlin noted that they had been most helpful and courteous.

7. (Confidential - JGO) Attempted to see Larry Conrad and Marcia MacNaughton concerning developments in the Ervin Subcommittee but both individuals were away from their respective offices for the day.

8. (Internal Use Only - JGO) Received from Mary Miller, on the staff of the Senate Preparedness Investigating Subcommittee, a classified document that had been provided for Subcommittee use. A receipt was given for the return of the document.

9. (Confidential - JGO) Talked briefly with Mr. Robert Michaels, on the staff of the House Appropriations Committee, and brought him up-to-date on the Soviet space activities discussed with him yesterday. Mr. Michaels was most appreciative but noted in passing that, although he is spending quite a bit of time with the Chairman, they are so pressed with Committee work he is not certain when the Chairman will have time to be briefed on such matters.

10. (Unclassified - JGO) Delivered to the office of Representative Joel T. Broyhill (R., Va.) correspondence from the Director of Strategic Services Unit enclosing citations -- the Medal of Freedom and the Medal of Freedom (Oak Leaf Cluster) -- for Mr. Richard Mazzarrini.

9. (Internal Use Only - JGO) Met with Representative Olin E. Teague (D., Texas) in response to his question earlier in the week concerning ransoming of American prisoners in Vietnam. I advised that the United States Government has tried every possible way of opening the prisoner release question and at every possible level. A special interagency committee of State and Defense Department representatives, formerly called the Warneke Committee, has headed up this effort. Mr. Teague appreciated the advice and noted that this subject is one he intends to take up with President Nixon because there must be some channel or avenue that can still be tried to recover American prisoners held by North Vietnam. No further action by the Agency is requested.

10. (Confidential - JGO) Met with Mrs. Mary McLaughlin, Senate Foreign Relations Committee staff, who apologized for the inconvenience caused the Agency couriers last evening and expressed Mr. Marcy's apologies as well. The Committee is in the process of drawing up a new list of staff personnel and phone numbers, a copy of which will be provided as soon as it is ready. Mrs. McLaughlin also advised that we can discontinue daily delivery and pickup of the transcript of 23 June after today. She was most complimentary on behalf of the Staff Director for the manner in which the delivery and pickup of the transcript has been handled by the Agency couriers.

STATOTHR

11. (Internal Use Only - JGO) Received a call from Mrs. Caroline Bogan, assistant to Representative Bill Scott (R., Va.), who advised that the [redacted] is interested in putting a branch in the Central Intelligence Agency building and desired the name of an Agency official they could talk to. After checking with Mr. Jack Coffey, DDS, I again advised that the Agency Headquarters Building is a secure area and that we do not have business facilities located in the building. Mr. Robert Wattles' name was given to Miss Bogan in the event the bank desires to make further inquiry.

12. (Internal Use Only - JGO) Received a call from Mr. Jack Blum, Assistant Counsel, Senate Subcommittee on Antitrust and Monopoly Legislation, Judiciary Committee, who requested copies of the unclassified Agency publication "The World's Oil Companies" which includes maps of the various concessions and outlines the various company relationships. I advised Blum that by his definition I was reasonably certain it was not an Agency publication, but that I would check and be back in touch with him.

9. (Confidential - JMM) Larry Conrad, Chief Counsel, Subcommittee on Constitutional Amendments, called to say he had been in further negotiation with Marcia MacNaughton, staff of the Constitutional Rights Subcommittee, and felt progress was being made regarding our proposed amendment for limited exemption but he wished to be reassured that we considered the Agency bound under this amendment by all of the provisions of S. 782 except Section 1(k), Section 4 and Section 5. After consulting with Mr. Houston and Mr. Warner, OGC, we called Conrad back to say that this was true but pointed out that our proposed amendment specifically provided that nothing in the Act should affect the Director's authority as set forth in Section 102(c) of the National Security Act of 1947. We explained our view that this Act did not seem directly related to S. 782--that Section 102(c) was intended, and interpreted, to take care of special cases affecting the national security, etc., but apparently would have no bearing on cases arising from a violation of the provisions of S. 782. Conrad said this was his impression but he appreciated our comments.

Conrad said that Miss MacNaughton had expressed some optimism that our compromise proposal might be acceptable.

10. (Confidential - JGO) Talked to Mr. Pat Holt, Senate Foreign Relations Committee staff, and advised in response to his question to Mr. Houston yesterday [redacted]
